Schick Hotels – Over a century of Viennese charm

Welcome to the Schick Hotels,

the Schick Hotels has greeted satisfied guests from all over the world for more than 400 years. The charm and the tradition of classical imperial Vienna are palpable throughout the hotel. This positive feeling extends to our inviting seminar rooms.

My name is Jeniffer Kuba. I would be happy to help you plan your seminar. I have been part of the Schick family since 2008. My motto is: "Together we can achieve anything." True to this motto, I am available to you in word and deed at any time.

The guiding principle of the Schick Hotels is "Vienna's charming private hotels." For me, this means exceeding your expectations. I do not just want to satisfy you. My goal is for you to be thrilled.

The four seminar rooms at the two Schick Hotels Stefanie and Erzherzog Rainer have daylight and are endowed with modern furnishings. In addition, each room has its special 'delicacies'. I would be very happy to make an opportunity to discuss your ideas and desires personally with you. Once I know what you are looking for, I will be able to help you with your perfect seminar.

I am already looking forward to greeting and regaling you and your guests.

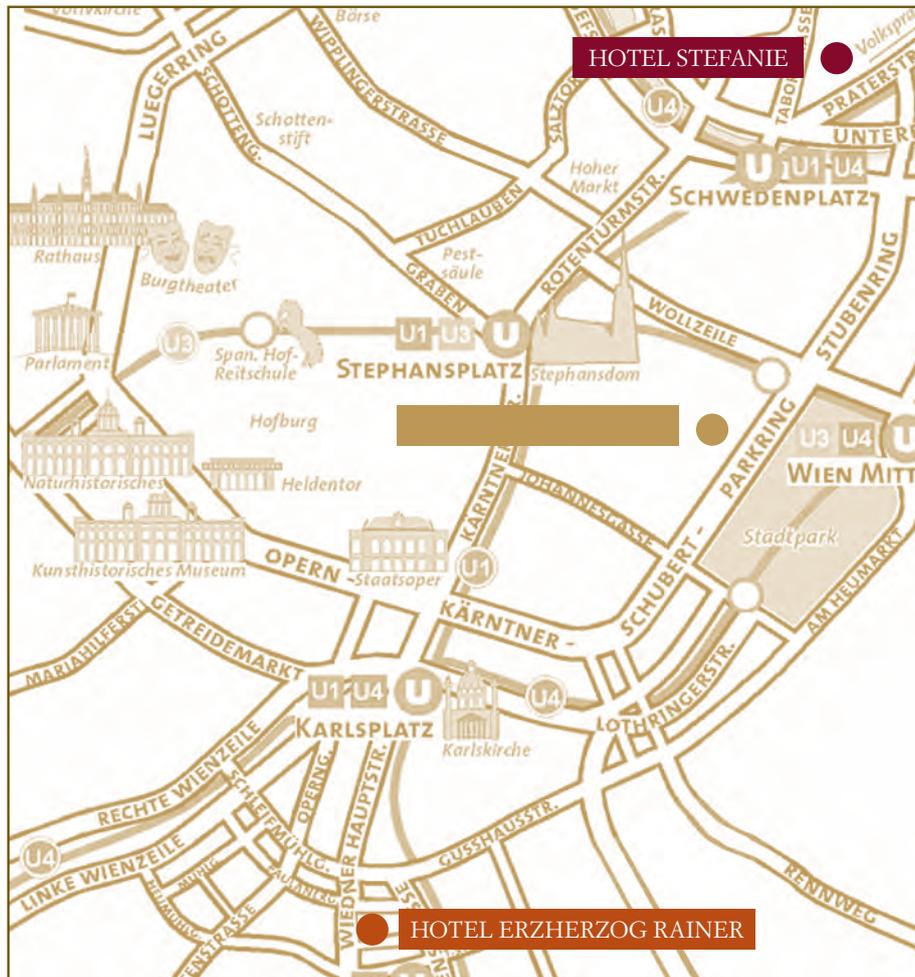

With charming regards,

OUR GUESTS SAY ABOUT US...

We're very happy to choose the Hotel Erzherzog Rainer as the location for our workshops and seminars because we feel comfortable here and also receive much positive feedback from our participants regarding the venue. Quite apart from the sought-out friendliness of the staff, as a seminar location the Erzherzog Rainer offers everything you need.

The size of the seminar room is always customized to our requirements and the configuration of the rooms as well as the dedication of all the employees are again reasons for us to book the Erzherzog Rainer.

In addition, there's the unique charm and the atmosphere, the unique elegance of the rooms and the quality of the restaurant that make every seminar - also for our customers - a "different kind" of event for a change. Many international guests rave about how unique the rooms are as well as the building itself and go on to book the hotel for their private accommodation.

Nobody is perfect, and mistakes happen in any work - happily humans are still working. The way the staff handle any problems that arise, yet more than anything their solutions to any problems, are some reasons why we have for years done business with the Hotel Erzherzog Rainer and will greatly look forward to our continued collaboration.
